## LVL BOXXA

January 2019

- Longer life than ordinary timber boxing
- Easier to handle, strong, straight and consistent
- Special paint surface for easier concrete release and moisture resistance
- Specifically designed for stability, longevity and strength

Boxxa LVL from NelsonPine is made with cross banded veneers giving extra strength, stability and longevity to make boxing for formwork, precasting and everyday concrete projects easier, quicker and more economical. Crossbanded LVL makes the product resistant to cupping and swelling width wise when used in concrete boxing applications.

### Finish

Painted with a moisture resistant, high wax content paint.

Section Sizes	Length (mm)	Pieces per pack
100 x 36	6000	90
150 x 36	6000	63
170 x 36	6000	54
